Welcome to our Autumn/Winter Newsletter

Dear Supporter,

Welcome to our Autumn and Winter Newsletter, filled with exciting news of what's been happening over the summer months and a variety of ways you can get involved over the Christmas period and beyond.

I am delighted that our Light Up a Life service will take place at St Thomas's Church, Salisbury on Sunday 27th November. Kindly sponsored by Parker Bullen Solicitors, the service will offer supporters the time to remember and celebrate the lives of Family and friends, with the opportunity to light a candle in memory, a particularly poignant part of the service.

At the service this year, we will also take time to remember a special friend of the hospice – please see page 4 to hear how Andy Thomas was unstinting in his loyal support of the charity. To donate towards our Light Up a Life appeal or RSVP to the event, please use the enclosed form.

As we move into the New Year we will be holding our first Make A Will campaign. In partnership with local law firms, the scheme will offer supporters the opportunity to write or update their Will in return for a donation to Salisbury Hospice. To find out more please see page 7.

We are also pleased to have some exciting events and challenges coming up, please see page 16. The 'Firewalk' is back, bigger and better and will this time include the 'Glasswalk'. In addition, you'll also find information about our exhilarating wing walk, which is certainly a challenge worthy of any bucket list!

Finally, it would be remiss of me not to mention the impact that the rising cost of living is having on our fundraising. I want to reassure supporters that we are as prepared as we can be for what we expect to be a hugely challenging period ahead but to also share that we are not immune from the effect this is having on our ability to raise funds. As our hospice team continue to support the most vulnerable people in our community, your support is more important than ever. *If you wish to make a donation to Salisbury Hospice Charity through this newsletter, please use the Light Up a Life appeal form enclosed.*

Thank you for everything you do to support Salisbury Hospice, it is only thanks to your ongoing generosity that local people have access to the very best care when they need it the most.

Remembering Andy

Andy Thomas was an outstanding hospice volunteer and when he passed away earlier this year we lost a great friend and supporter.

Andy's support stretches back almost 20 years to when he organised the first of many 'Andy Thomas Golf Days'. Andy, along with wife Lesley and son Glen, organised numerous golf days, which raised more than £18,000 for the hospice. When he decided to call time on the golf days Andy's fundraising continued, with a cabaret night, skittles nights and an abseil down the Spinnaker Tower.

Andy and his family initially decided to support the hospice following the sad passing of his sister in law, who was cared for by the hospice team. They were grateful for the care she received and the support they were given.

Glen, Andy's son recalls "We were sat having takeaway pizza in the family room and I remember us discussing that we needed to do something. It started out as a walk from Salisbury bus station to Amesbury bus station, taking in Stonehenge. It was on this walk my dad suggested the golf day"

Andy was always much more than just a fundraiser. He was the volunteer we could always rely on to help at any of our charity events. Whether he was putting up signs to advertise them or tirelessly working on the day, his support was invaluable. Over the years he made himself indispensable to the organisation of the Wessex Country Fair, Christmas Tree Collection, Bubble Rush, and much more.

One of the events closest to Andy's heart was our annual Light Up a Life Christmas service. Along with close friend Nick Hosking, who we sadly lost in 2018, Andy made it his personal mission to ensure that a Christmas tree was erected and decorated by the hospice entrance each year. Even as his health deteriorated, he still coordinated others to ensure the tree was in place.

Andy was simply an extraordinary supporter of the hospice. We will miss him so much, not only for his incredible support, but also for his many visits to the Charity office where his wit and straight talking were greatly appreciated!

Glen and Andy Thomas.

Light Up a Life

The team here at Salisbury Hospice would like to invite you to join us for our Light up a Life service, which this year will be held at **St Thomas's Church, Salisbury on Sunday 27th November at 2pm.**

Every year Light up a Life helps families to remember and celebrate the lives of those they have lost, at what is often a difficult time of year for the bereaved. At the event, you will be invited to light a candle in memory of someone special. Each light symbolises and celebrates the life of that person, remembering precious moments and memories.

This year, we are delighted to host the event in the heart of our community at St Thomas's Church. The service will include readings and carols, followed by mulled wine and mince pies.

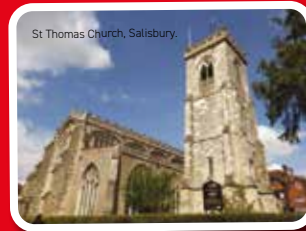

You do not need to have experienced hospice care to attend the service or make a dedication. We welcome all from our community who wish to remember and celebrate the life of someone who is no longer with us, but always in our thoughts.

We welcome dedications and donations. The money raised from our Light Up a Life appeal helps fund the support we offer to patients and families facing terminal and life-limiting illness. It allows us to support families at a time when they need it most.

You can donate to this appeal through the enclosed appeal form.

If you would like to dedicate a message to a loved one, please do so online by visiting: salisburyhospice.dedicationpage.org/lightupalife.

This year's Light up a Life service is kindly sponsored by **Parker Bullen Solicitors.**

Corporate Partnerships

Nationwide Building Society, Salisbury has gone above and beyond for Salisbury Hospice Charity through their charity partnership, providing support and vital income to the hospice.

Nationwide have held numerous fundraisers from Christmas Jumper Day, their renowned cake sale, wreath making, My Ride London, 2.6 challenge and a branch fitness to support their brave trekkers taking on the Jurassic Coast Challenge.

This partnership has become so successful that our corporate fundraiser now works with the managers from Ringwood, Fordingbridge and Amesbury Branches of Nationwide Building Society, as well as the Salisbury Branch.

If you work for a business that would like to know more about charity partnerships then please contact

"What started three years ago as a partnership supporting Salisbury Hospice for one year has grown and flourished into a relationship better than we could have imagined. Salisbury Hospice are part of our wider family and community, and I could not see a time where we don't continue to build on the success in the most challenging of times. From fundraising, to volunteering, we've laughed, we've cried, what a journey this has been. No one deserves it more than Salisbury Hospice and nothing is more rewarding when we get to see, first hand, what our support means to our wonderful hospice. I'm excited about the events, excitement and love and support we can share moving forward...this is just the start!"

Lee Syrett - Senior Branch Manager

"We could not be more grateful for the continuous and kind support we receive from the Nationwide teams. These teams are a real credit to Nationwide Building Society. They are real advocates of the hospice, spreading the word on the vital care that is provided. They have achieved so much whilst maintaining their day jobs and we are completely in awe of their efforts"

Louise Compton - Corporate Fundraiser

We would also like to thank our new partners Trethowans Solicitors, their marketing executive Laura Jacobs said 'Salisbury Hospice is a charity providing vital support to the local community and one we are proud to help fundraise for. The charity holds a particular place in our hearts and we are delighted to support the hospice as our chosen charity.'

In spring 2023, Louise will be holding an event called FUSE where everyone is welcome to come along and have a fun evening, she looks forward to welcoming you and telling you more about her role in the charity.

The challenge begins at midday on the **29th November 'Giving Tuesday'** and there will be 7 days to submit a donation. Every donation made to our campaign from **29th November - 6th December** will be doubled.

Wessex County Fair

On Saturday 6th of August, we were delighted to host once again our annual Wessex Country Fair event on the beautiful grounds of Wilton House Estate.

The fair was back bigger and better than ever following a two-year break caused by the pandemic, with new evening entertainment from some fantastic local

performers and a headline performance from West Country Legends, The Wurzels!

There was something for everyone at this year's event including; live music, arena acts, dog show, a wide range of trading stalls, inflatables, agricultural displays, as well as displays of vintage cars and steam vehicles. The Hospice Village, run by the hospice's very own staff and volunteers, was a great success, giving people the opportunity to learn more about

the vital, end-of-life services the hospice provides to the community. Attendees participated in some of the therapies

our patients experience such as pebble painting, horticultural therapy and craft activities, some even had a massage from one of Salisbury Hospice's experienced complementary therapists.

The Wessex Country Fair, welcomed around 4,000 people

and raised an incredible £60,000 for Salisbury Hospice. Events Fundraiser, Abi Blake said: *'We are so grateful that so many of the local community turned out to support the event, which has raised a great amount for Salisbury Hospice. The event has also helped us build more awareness of the hospice locally. We would like to thank everyone who helped make the day such a success, especially our tremendous volunteers.'*

This event would not be possible without the incredible support of the team at Wilton House Estate and the kind permission of the Earl and Countess of Pembroke

Calling all Daredevils!

We are looking for a team of daredevils to face their fears, and take on our Fire and Glass Walk on Friday 17th February 2023 in front of the stunning back drop of Salisbury Guildhall.

As a fearless fundraiser you can choose to do either or both of these ultimate daring challenges.....

Fire Walk: to walk 15ft over hot coals at 550 degrees Celsius!

Glass Walk: to walk barefoot across hundreds of razor sharp broken glass bottles.

It sounds tough but don't fear; to undertake this unique mind-over-matter challenge, you will be supported by UK FireWalk one of the UK's leading Fire and Glass Walk companies. You will receive intense training and expert tuition from Scott Bell, the twice Guinness World Record holder for the 'Greatest Fire Walking Distance' by walking 328 feet on burning coals. So don't worry, you will be in safe hands!

Registration is £30 for either the Fire or Glass Walk or £50 for both. Age restrictions are 12+. We ask that each brave participant raise a minimum of £100 in sponsorship for one challenge or £150 for both challenges. Numbers are limited so register soon to avoid disappointment.

To register, please visit our website. Once registered you will receive a sponsorship pack, including guidelines and further information.

Wing Walking An exhilarating aerial experience!

Would you like to take on a new challenge to raise funds for the Salisbury Hospice Charity? We will be hosting a Wing Walking day at Compton Abbas airfield on 3rd September 2023.

To clarify, you don't actually walk on the wings of the plane. Instead, you are securely fastened in to a seat which sits on the top wing of a biplane. From here you can enjoy spectacular views of the area surrounding Compton Abbas whilst facing the full force of the elements!

If wing walking is a bit too extreme for you, we are also looking for skydivers to join us on either the **1st or 2nd of April** at Go Skydive in Salisbury. This is an unforgettable experience you can share with a group of fellow fundraisers.

For further details or to book your place at either of these events please contact, moyra@salisburyhospicecharity.org.uk.

Mayoral Visit

We were delighted to host a visit from The Right Worshipful the Mayor of the City of Salisbury, Councillor Tom Corbin, his Consort Mrs Caroline Corbin and the Deputy Mayor of Salisbury, Councillor Atiquel Hoque.

The tour began in the hospice gardens, a beautiful tranquil area tended by volunteers and used by families patients and staff.

We then moved inside where the group were given a tour of the in patient unit and introduced to key members of the hospice team who chatted about their roles, their passion for what they do and shared some wonderful stories about the support and care they give to patients and their families.

The Mayor had the following to say about the visit, "I was very pleased to be given a guided tour of Salisbury Hospice. I had a wonderful opportunity to meet with staff and volunteers to learn and understand how they support people with life limiting illnesses and give support to their family members both at home and in the hospice. It was also very interesting to learn of the support being given to healthcare professionals in SDH by the hospice team. I could see the amazing value given at a difficult time in people's lives and see the work effort and energy from the volunteers and see how welcoming the hospice is."

We finalised the visit with tea and cakes in the conservatory, a beautiful sunny room, in the heart of the hospice, used by staff, patients and their families.

We would like to thank our visitors for their kind support and look forward to working with them as we share the important role the hospice plays within the community and highlight the work of Salisbury Hospice Charity, as each year we aim to raise 50% of the annual running costs.

**'A large part of what we do is about helping people put plans in place for their future. Having those conversations enables people to be treated as an individual and to have choice about how they want the end of their life to be'.
Helen Hayward, Hospice Consultant**

Mont Blanc Trekkers Raise £35k

Five days, 12 trekkers, 30 miles on foot, 2690 feet elevation and £35,000 raised for Salisbury Hospice Charity.

During the first week of September, twelve incredible people completed three stages of the Mont Blanc tour in aid of Salisbury Hospice Charity. Many of these determined individuals signed up for the charity trek in October 2019. After several date changes due to the recent pandemic, the trek finally went ahead with much anticipation.

Michelle and Tommy Reid, who signed up in October 2019 and who dedicated the trek to Michelle's Mum, who died in the hospice, said "We can't believe we are here and that we have done it, after everything that has happened!"

The trek started at Courmayeur, Italy, the base of Col de Ferret, which meant an immediate and steep climb at an already high altitude, which proved challenging for most members of the group.

But working together as a team, with serious amounts of encouragement and banter, the whole group reached the summit, the equivalent of climbing Salisbury Cathedral spire seven times!

Day Two followed the Dranse de Ferret through the valley, amongst beautiful forests, traditional Swiss villages and farms, before climbing steeply to Champex. There were some challenging ascents and sharp descents but again, with the support and encouragement of the group, six hours of trekking later, the group arrived in Champex, and the braver enjoyed a very fresh swim in Champex Lac.

The third and final day of the trek presented a few challenges for already tired and tight muscles – approximately 10.5 miles to cover, including a long steady climb reaching a maximum elevation of 2575 feet. This included some crossing points so steep and dangerous they were supported by metal chains along the side of the mountain.

Shortly after 2.30pm, and an hour ahead of schedule, a weary, emotional, triumphant group of trekkers arrived at Col de Forclaz, having completed the challenge they had set themselves – some three years ago, some only six months ago. Some with many miles of training in their legs, some with the added advantage of having hills to train on. All with the determination, courage, motivation and intent to do it.

Mark Williams said "Suzi and I are delighted to have helped support the amazing team at the Salisbury Hospice. As trekking newbies, we were a little apprehensive but the whole trip was an amazing

experience and no doubt it will be the first of many! Feel good factor - 100%!!! Thank you team Hospice".

"We are in awe of the determination of this extraordinary group of individuals. The money they have raised from this trek will greatly benefit Salisbury Hospice. A huge thank you to all our trekkers."
