Scoring

It is Stableford scoring on 75% of your full handicap (max 28 for men, 36 for ladies). To keep things simple, there will be no amendments to your own course handicaps for the Course Slope Rating. No bandits please - this is a fun, charity event!

Each captain will be given cards for the whole team including ONE "master card" to use to score. If possible, please score you points as you go, but if not, by all means add them up at the end as soon as you finish.

In short, **YELLOW** tees, Stableford with the top **THREE** scores counting on each hole.

There will be prizes for the winning and runner-up teams – there is NO INDIVIDUAL competition.

Course Etiquette & Time Keeping

Please ensure that you replace all divots and repair all pitch marks. Please also keep play moving and avoid holding up others behind you - if you cannot score on a hole, please pick up your ball or play out very quickly. Please remember that you can now putt with the flag in on the green and if you do take a drop, the drop must be done from knee height!!

Dress Code

On the Golf Course, only recognised golf clothing and footwear should be worn please.

In the Clubhouse, smart, respectable casual dress may be worn and recognised golf clothing provided it is clean and dry please. No soft spikes or metal spikes on the blue carpet in the Bar area.

NOT acceptable are the following: *football or rugby type shirts, jeans, cargo trousers or cargo shorts (shorts must be tailored), tracksuits, camouflage trousers, workwear, and of course, dirty or worn out anything.*

Buggies

If you would like to use a buggy, please ensure that you pre-book it with the Pro Shop – please call the course on 01722 742645. For info, we have reserved several buggies already, but you must book them out directly beforehand to ensure that you get one!

Locker Codes

The codes for the day will be: Men's 3521 & Ladies' 5423.

Refreshments & Water Bottles

Some refreshments are provided (sweets/chocolate) to sustain you further during your round! Please bring your own water bottle and fill up from the clubhouse prior to starting. On the course itself, there is a fountain on the 10th tee as well as a tap at the back of the 9th by the shed.

Charity Bundle

We are looking please for £20 from each player if at all possible: £10 for the raffle, £5 for Beat the Pro and £5 for a 'Mulligan'. You also then get free entry into the Lost Ball Competition. Please can you bring **CASH** with you for this.

Beat the Pro (8th Hole)

£5 each and beat the Course Pro on the short downhill 8th hole to DOUBLE YOUR MONEY and receive a certificate to prove you did it!

If your first shot isn't any good and you still have your 'Mulligan', why not have another go!

Mulligans

For £5, you can buy ONE SHOT to replay at any time during your round (that's ANY SHOT – drive, iron or putt). You can use this on any hole but it can only be used ONCE. If your 'replayed' shot is worse than your previous shot, tough luck - you must play from where your 'replayed shot' finishes! You can buy additional Mulligans, if you want to, for £5 each.

Lost Ball Competition

At the registration desk, please choose a number for FREE to correspond to the total number of balls you expect to be lost during the round across all the groups. There is a prize for the closest.

Longest Drive & Nearest Pins

Markers will be by the side of the green for those playing the hole first. When you are currently winning on any of the holes, please put your name on the sheet and ensure a team member countersigns it.

If you are playing one of the following holes as your LAST hole, please bring back the marker with you which will save us having to go out in a buggy to retrieve it!!

Hole 6 - Nearest the Pin

Hole 8 - Nearest the Pin (& Beat the Pro)

Hole 10 - Longest Drive

Hole 13 - Nearest the Pin

Hole 18 - Nearest the Pin
